

3253561154294	4	350 x 8	1-15-429
		L mm x 	STANLEY

• Tough ABS handle has 45° and 90° marking out feature

UNIVERSAL ABS HANDLE SAW

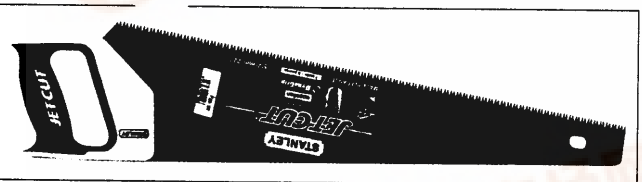

3253561201820	4	550 x 11	1-20-182
3253561201813	4	500 x 11	1-20-181
3253561201806	4	450 x 11	1-20-180
		L mm x 	STANLEY

- Aggressive tooth geometry
- Hardpoint teeth for long life
- Bi material handle for comfort and ease of use
- Apfilon coating prevents rusting and reduces friction

JET CUT LOW FRICTION FINE SAW (APFILON)

3253561201523	4	550 x 7	1-20-152
3253561201516	4	500 x 7	1-20-151
3253561201509	4	450 x 7	1-20-150
		L mm x 	STANLEY

- Aggressive tooth geometry
- Hardpoint teeth for long life
- Bi material handle for comfort and ease of use
- Apfilon coating prevents rusting and reduces friction

JET-CUT LOW FRICTION SAW (APFILON)

3253561152443	4	550 x 11	1-15-244
3253561155994	4	500 x 11	1-15-599
3253561155956	4	450 x 11	1-15-595
3253561155949	4	400 x 11	1-15-594
3253561156335	4	350 x 11	1-15-633
		L mm x 	STANLEY

- Aggressive tooth geometry
- Hardpoint teeth for long life
- ABS handle has 45° and 90° marking out features

JET-CUT FINE PANEL SAW

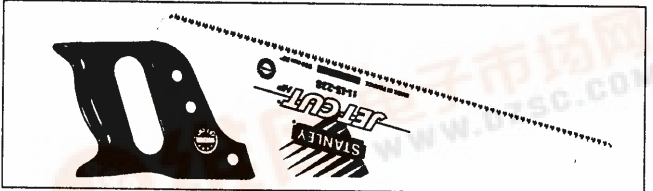

3253561152894	4	550 x 7	1-15-289
3253561152887	4	500 x 7	1-15-288
3253561152832	4	450 x 7	1-15-283
3253561152818	4	400 x 7	1-15-281
		L mm x 	STANLEY

- Aggressive tooth geometry
- Hardpoint teeth for long life
- ABS handle has 45° and 90° marking out features

JET-CUT SP SAW

3253561152399	4	550 x 7	1-15-239
3253561152382	4	500 x 7	1-15-238
		L mm x 	STANLEY

- Aggressive tooth geometry
- Hardpoint teeth for long life
- Tough ABS handle

JET-CUT HP SAW

- Over 10 teeth per inch - Fine and accurate joints
- Less than 6 teeth per inch - Heavy sawing down the grain
- 7 to 9 teeth per inch - General purpose sawing

Usage

- (no sharpening needed)
- High frequency, induction hardening gives teeth extra long life
- sawing with better kerf clearance and a smooth cut
- Variable set and third cutting angle on tip of tooth give easier such as chip board
- 20% - 50% faster, particularly on pine and man made materials
- bevelled cutting edges for extra fast sawing
- Very aggressive Jet-Cut teeth have three precision ground

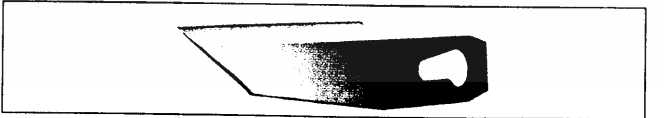

STANLEY JET CUT SAWS
