#### Technical Information

|                |                                              |
|----------------|----------------------------------------------|
| Clamping Type  | Screw Clamp                                  |
| Series         | W Series                                     |
| Rail Type      | TS 35                                        |
| Function       | Circuit Protection Disconnect                |
| Configuration  | Fuse and Feed Through Lever and Feed Through |
| Wire Size      | #22...12 AWG                                 |
| Current        | 10 A upper level, 20 A lower level           |
| Voltage        | 300 V                                        |
| Color/Material | Beige PA                                     |

#### Technical Data

|               | UL           | CSA          | VDE               |
|---------------|--------------|--------------|-------------------|
| Rated Voltage | 300 V        | 300 V        | 500 V             |
| Rated Current | 10 A 20 A    | 10 A 25 A    |                   |
| Wire Size     | #22...12 AWG | #22...12 AWG | 4 mm <sup>2</sup> |

#### Additional Data

|                                      |                                |
|--------------------------------------|--------------------------------|
| Width/Length/Height mm (in.)         | 8/73.5/55.7 (.31"/2.89"/2.19") |
| Insulation Stripping Length mm (in.) | 9 (.35")                       |
| Torque Nm (lb. in)                   | 0.6 (5.5)                      |
| Clamping Screw                       | M 3                            |
| Flammability Class                   | UL 94 (V2)                     |
