

Instrument Cleaning Brushes

2051

Introduction

Techspray® has designed a brush line which offers a brush for your specific needs, whether you are cleaning sensitive optics or scrubbing heavy soils. The bristle cut is designed to offer optimum cleaning with minimum effort. The quality natural bristle materials selected are thoroughly cleaned prior to manufacturing. TechBrush® handles are designed for a comfortable fit, while offering a variety of handle materials, including anodized aluminum, stainless steel, wood, and Delrin® material. The TechBrush® manufacturing process insures a durable long-lasting brush which will suit your specific needs.

Chemical Components

This product does not contain any hazardous ingredients as per OSHA 29 CFR 1910.1200 Subpt.(z).

Environmental Policy

Techspray® is committed to developing products to ensure a safer and cleaner environment. We will continue to meet and sustain the regulations of all federal, state and local government agencies.
