

Item ID: 45-715

Name: Kinetic Super™ Wire Stripper

Features: ● 10-18 AWG Solid

- Thumb-Valley™ thumb guide promotes comfort while focusing kinetic energy for faster wire stripping.
- Pocket-Locket™ locks even tighter when tool is slipped into holster or pants pocket for added safety.
- Shear-Cut™ bolt cutters slice through bolts easily and cleanly.
- Textured non-slip Santoprene® grips cushion your hand to reduce stress in wrist while wicking away perspiration.
- Color coded for quick reference (solid wire - yellow, stranded wire - red).
- Narrow plier nose is perfect for holding and twisting wires in hard to reach places.
