## **DIAMOND BURNISHERS**

These diamond contact burnishing spatulas consist of uniform abrasive diamond particles, set in a special metal for precise effective cleaning, polishing and burnishing with minimum pressure, so very little metal is removed. They apply strong abrasive power, are long lasting and the natural irregular shapes of the diamond particles prevents clogging. It is also used effectively in removing burns and rough edges of subminiature IC's. The contact face will always remain perfectly polished due to the uniformity of the diamond particles. Flexible dielectric plastic handle permits accessibility to awkward areas and can be used without power shut off.

Three types of diamond contact burnishing spatulas for every application. Diamond face 1" x 1/4", 6" long.

**D-200 Coarse (grit for rapid cleaning),** .019" Thick, two diamond faces, green shaft.

**D-300 Medium (grit for intermediate size contacts)**, .017" Thick, two diamond faces, red shaft.

D-400 Fine (grit for small sensitive contacts), .011" Thick, single diamond face, blue shaft.
K-234, Three assorted spatulas in a rigid plastic case.

Ī	D-200	Coarse
	D-300	Medium
	D-400	Fine
	K-234	Assortment

## **CONTACT BURNISHERS**

Plastic insulated handles for working on live contacts. Tools are packaged in a clear plastic vial for protection from grease and moisture.

JONARD	
P/N	DESCRIPTION
OB-1/3	For Fine Contacts.
	Ideal for Tool Kits. 3/16" wide,
	.007" thick. 3" long.
	Package of 3
OB-1/12	For Fine Contacts.
	3/16" wide, .007" thick.
	3" long. Package of 12
OB-2/12	For Extra Sensitive Points.
	Blue handle. 1/4" wide,
	.007" thick. 3" long.
	.007" thick. 3" long. Package of 12
OB-3/12	Package of 12
OB-3/12	Package of 12
OB-3/12	Package of 12  For General Purpose Contacts.
OB-3/12	Package of 12  For General Purpose Contacts. Red handle. 1/4" wide,
OB-3/12	Package of 12  For General Purpose Contacts. Red handle. 1/4" wide, .010" thick. 3" long
	Package of 12  For General Purpose Contacts. Red handle. 1/4" wide, .010" thick. 3" long Package of 12  For Industrial Use. Green handle. 3" long,
	Package of 12  For General Purpose Contacts. Red handle. 1/4" wide, .010" thick. 3" long Package of 12  For Industrial Use.
