RO514 is a HellerMannTyton Rite-On Marker. Rite-On Markers come with a reusable dispenser made from high impact plastic which is resistant to oils and grease. The dispenser is loaded with self-laminating labels that have a clear tail which seals the legend under clear vinyl. The dispenser can be reloaded over and over again with refill rolls, making it a cost-effective and efficient method of labeling. For best results, use a ballpoint pen with the Rite-On system.
