MARKING CRAYON

The Mark-On-All Crayon writes on all surfaces including rubber, glass, painted surfaces, leather, plastic, wood, and steel. Excellent for labeling rubber goods and most synthetic surfaces.

- Markings can easily be wiped off with a paper towel.
- Rugged crayon style marker
- Hexagon body for fast sharpening and fine/bold tip
- Long-lasting (size: 9/16 x 4 1/2")
- Paper peel for body protection

COLORS:

Black, Blue, Green, Orange, Red, White, Yellow

AVAILABLE:

- 12 per box

The Solid Marker is perfect for heavy-duty, easy-to-see industrial marking over large areas. Great for use in factories, construction sites, and outdoor applications.

- Heavy-duty plastic body
- Writes in wide, bold lines that are easily visible
- Goes easily on aluminum, rubber, plastic, cardboard, wood, glass, and concrete
- Quick-drying, won't rub off like brush paint
- Lipstick style twist advance feed to adjust amount of marking pigment

COLORS:

Black, Blue, Brown, Green, Orange, Purple, Red, White, Yellow

AVAILABLE:

- 12 per box
- 144 per carton
- 432 per master carton
