

## Model 73044 N Type “T” Jack-Plug-Jack Adapter

Model 73044  
N Type “T” Jack-Plug-Jack Adapter

### Features

- DC – 4GHz bandwidth.
- Connectors are precision machined.
- Meets interface requirements MIL-C-39012.

### Materials

Center Conductor:

Male: Brass, Gold Plated

Female: Phosphor Bronze, Gold Plated

Connector Body: Brass, Nickel Plated

Insulators: PTFE

### Specifications

|                                                                               |                    |
|-------------------------------------------------------------------------------|--------------------|
| Impedance:                                                                    | 50Ω                |
| Frequency Range:                                                              | DC – 4GHz          |
| Contact Resistance:                                                           |                    |
| Center Conductor:                                                             | ≤1.0 mΩ            |
| Outer Conductor:                                                              | ≤0.2 mΩ            |
| Insulation Resistance:                                                        | ≥ 5000 MΩ          |
| Dielectric Withstand Voltage:                                                 | 1500V              |
| For CE compliance, do not hold in hand when voltages exceed 33 Vrms / 70 Vdc. |                    |
| Number of Insertions:                                                         | 500 cycles minimum |

### Ordering Information

Model: **73044**

All dimensions are in inches. Tolerances (except noted): .xx = ±.02" (.51 mm), .xxx = ±.005" (.127 mm). All specifications are to the latest revisions. Specifications are subject to change without notice. Registered trademarks are the property of their respective companies.
