

Item N° 07278

Automotive

Compressor with light

- ▶ 260 PSI maximum working pressure.
- ▶ Compact design for easy storage and portability.
- ▶ Built in work light.
- ▶ Pressure gauge for convenience.
- ▶ 12V Input from any car lighter socket.

07278

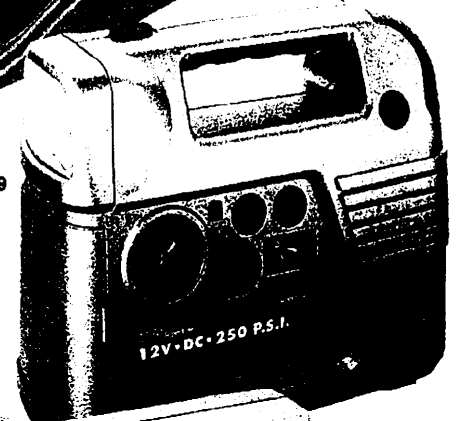

Item N° 07279

Automotive

Rechargeable Compressor with light

- ▶ 250 PSI maximum working pressure.
- ▶ Comes with 230V/15V AC/DC adaptor.
- ▶ Built in work light.
- ▶ Pressure gauge for convenience.
- ▶ Supplied with power supply.

07279

12V • DC • 250 P.S.I.

Item N° 07901

Automotive

HD Compressor

- ▶ 300 PSI maximum working pressure.
- ▶ Compact design for easy storage and portability.
- ▶ Pressure gauge for convenience.
- ▶ High capacity 30 litre/min air flow.

07901

Item N° 07981

Automotive

Digital Tyre Pressure Gauge

- ▶ Small and light weight.
- ▶ Auto OFF for battery saving.
- ▶ Digital display for accurate readings.
- ▶ Large measuring range.
- ▶ Measures in PSI, BAR, KG and KPA.

07981

Item N° 07903

Power System / Starter

17 A.H. Power System Engine Starter (12V)

- ▶ 350 Peak Amp / 350 Cranking Amp.
- ▶ 12V DC and 230V adaptor.
- ▶ Built-in battery clamp.
